## Benefits Of A Lifetime License

California's Lifetime License Program offers dedicated hunters and anglers an opportunity to enjoy a lifetime of fishing and hunting. Our license program offers you:

- A lifetime of basic fishing and hunting license privileges (tag and stamp privileges are available for an additional cost), even if you move out of State
- Protection against future fee increases

### How will I receive my lifetime license each year?

Each year you will be able to pick up your lifetime license from any DFG license sales office or license agent, using your California DMV ID or a license previously issued to you through the Automated License Data System. If you are unable to visit a license agent, you may request that your license be mailed to you by calling (916) 928-5853 or e-mail [lrb@dfg.ca.gov](mailto:lrb@dfg.ca.gov). When requesting your license by mail please allow 15 days to receive your license.

### Who Can Purchase A Lifetime License?

Any California resident. The price varies, depending on your age. (See reverse side for details)

### Your Lifetime License Includes

- The *Lifetime Sport Fishing License* includes basic fishing license privileges
- The *Lifetime Hunting License* includes basic hunting license privileges

Additional validations and tags can be purchased separately each year, or they can be purchased in one or more of the following packages:

**Additional Fishing Privileges:** Includes a second-rod validation, north coast salmon report card, steelhead report card, and ocean enhancement validation every year for the rest of your life.

**Additional Bird Hunting Privileges:** Includes a California duck validation and upland game bird validation each year for life. California duck and upland game bird validations are issued only to hunters who are 16 years of age or older.

**Additional Big Game Privileges:** Includes one deer tag application and five wild pig tags every year for the rest of your life.

### What Happens to My Lifetime License if I Move Out of State?

Your lifetime license and the privileges you have purchased will still be valid. You are still eligible to purchase lifetime privilege packages. If you reside in another state, you are a nonresident, unless you are enrolled in the Job Corps, or on active duty with the U.S. Armed Forces. If you need additional tags, you must purchase nonresident tags.

## How Do Lifetime Licenses Help Fish And Wildlife?

Your purchase of a lifetime license provides the Department with a permanent and continuous source of funds for the management and protection of fish and wildlife for many years to come. The fees from the purchase of a lifetime license are deposited into a dedicated, interest-earning trust account. Each year, we receive an amount for each lifetime hunting and fishing license in effect. As time passes, the account continues to earn interest, ensuring there is enough money for the program to continue.
